EXPERIENCE

Project Manager Oct 2024 — Present
AshBritt Environmental · Contract

Led debris-recovery project management for the federal response to Hurricane Helene, across 3 counties and 9 cities. Coordinated hundreds of subcontractors and removal crews across simultaneous active sites, working directly with FEMA and the US Army Corps of Engineers throughout a multi-hundred-million-dollar operation. Recognized by AshBritt's Senior Vice President for exceptional project performance.

Founder 2016 — Present
Jake Wells Music, LLC

Built an independent artist company end to end — releases, art direction, and licensing deals. Secured a sync placement with HBO; one release charted in the US Spotify Top 15. Grew the brand to national television appearances.

Event Operations Manager 2019 — 2023, 2025 — Present
Hefter Catering

Manage end-to-end event operations for weddings and large-format catering — client relations, vendor coordination, staff oversight, and on-site logistics for events of 300+ guests. Returned to the role after two years in Nashville.

Department Manager 2013 — 2015
King Soopers / Kroger · Fort Collins, CO

Ran daily operations for a deli and grocery department — staffing, inventory, vendors, and quality. Named Employee of the Month.
