BRAND STRATEGY & CREATIVE PROJECT MANAGEMENT

Kansas City, MO · (850) 499-6300 · jwellsthompson@gmail.com · jakewellsmusic.com

PROFILE

Creative operator and project management professional with a record spanning federal-scale disaster relief, independent brand founding, and award-connected media production. Proven ability to manage complex, multi-stakeholder projects under pressure — from coordinating hundreds of contractors across nine cities to directing original content from concept through distribution. Equal fluency in strategic thinking, client relations, and hands-on creative execution.

CORE COMPETENCIES

Brand Strategy · Project Management · Client & Stakeholder Relations · Creative Direction · Copywriting · Campaign Strategy · Vendor & Contractor Management · Content Strategy · Media & PR · Budget Oversight · Cross-functional Team Leadership

Contract Project Manager

Oct 2024 – Present

AshBritt Environmental · Kansas City, MO

- Served as lead PM for one of the largest disaster relief operations in the US in 2024–25, overseeing Hurricane Helene recovery across 3 counties and 9 cities.
- Managed a multi-hundred-million-dollar federal project end-to-end — coordinating hundreds of contractors, debris management sites, and removal crews across simultaneous active workstreams.
- Primary liaison to FEMA and the US Army Corps of Engineers; maintained strict compliance with federal oversight, safety standards, and reporting requirements throughout.
- Delivered exceptional performance across all client metrics — organization, communication, and contractor coordination — earning formal recognition from AshBritt's Senior Vice President.
- Sustained a 7-day, sunrise-to-sunset operational pace across six consecutive months without incident.

Regional Director, Sales

2017

ADT Security Services · Kansas City, MO

- Managed a regional territory — prospecting, presenting, and closing residential and commercial security contracts in a high-volume, performance-driven environment.
- Built client relationships and developed territory growth strategy from the ground up.

Department Manager, Deli & Grocery

2013 – 2015

King Soopers (Kroger) · Fort Collins, CO

- Managed daily operations for deli and grocery department — staffing, inventory, vendor relations, and quality control.
- Named Kroger Employee of the Month; recognized for operational performance and team leadership.
