Contract Project Manager

Oct 2024 – Present

AshBritt Environmental · Kansas City, MO

- Served as lead PM for one of the largest disaster relief operations in the US in 2024–25, overseeing Hurricane Helene recovery across 3 counties and 9 cities.
- Managed day-to-day operations across a multi-hundred-million-dollar federal project — coordinating hundreds of contractors, debris management sites (DMS), and removal crews simultaneously.
- Primary liaison to FEMA and the US Army Corps of Engineers (USACE); maintained compliance with rigorous federal oversight and safety standards throughout project duration.
- Delivered exceptional performance across all client metrics — organization, communication, and contractor management — earning formal recognition from AshBritt's Senior Vice President.
- Managed a 7-day, sunrise-to-sunset operational tempo for six consecutive months without incident.

Regional Director, Sales

2017

ADT Security Services · Kansas City, MO

- Managed a regional sales territory — prospecting, presenting, and closing residential and commercial security contracts.
- Developed client relationships and territory strategy in a high-volume, commission-driven environment.

Department Manager, Deli & Grocery

2013 – 2015

King Soopers (Kroger) · Fort Collins, CO

- Managed daily operations for deli and grocery department — staffing, inventory, vendor relations, and quality standards.
- Recognized as Kroger Employee of the Month for operational performance and team leadership.
