

Jake Wells

I run complicated projects and build creative work — from federal-scale operations to brands of my own.

Kansas City, MO / (850) 499-6300 / jwellsthompson@gmail.com / jakewellsmusic.com

EXPERIENCE

Project Manager

2024 — Present

AshBritt Environmental · Contract

Led debris-recovery project management for the federal response to Hurricane Helene, across 3 counties and 9 cities. Coordinated hundreds of subcontractors and removal crews across simultaneous active sites, working directly with FEMA and the US Army Corps of Engineers throughout a multi-hundred-million-dollar operation.

Owner & Creative Director

2020 — Present

The Creative Wells Agency

A custom music and brand-audio studio. Write and produce commissioned work for clients including Tom's Town Distilling Co., and placed original music with HBO. I handle the brand, the client relationships, and the work itself.

Owner

2016 — Present

Jake Wells Music, LLC

Built and ran an independent artist company end to end — releases, art direction, press, and the digital marketing behind them. One single reached the US Spotify chart; the catalog has carried me onto national television and HBO.

Regional Sales Director

2017

ADT Security Services

Sold residential and commercial security across a regional territory, building the book of business from the ground up.

Department Manager

2013 — 2015

King Soopers / Kroger

Ran daily operations for a deli and grocery department — staffing, inventory, vendors, and quality. Named Employee of the Month.
